Portfolio: binaystha.com.np

PROFILE

Multidisciplinary designer and BCT student with experience in **graphic design, UI/UX, web design and digital art**. Designed website interfaces and social media graphics during a 4-month internship with **Project Abhaya**, using Figma to translate project requirements into visual solutions. Experienced with **Adobe Illustrator, Photoshop, After Effects and Figma**, with ongoing exploration of 2D animation and 3D design through Krita, Photoshop and Blender. Interested in branding, visual storytelling, animation and creative digital production.

EXPERIENCE

UI/UX & Graphic Design Intern: Project Abhaya

2025 | 4 months

- Designed the **Project Abhaya website UI in Figma**, translating project requirements into clear and consistent interface designs.
- Developed website layouts with focus on usability, visual hierarchy and the project's requirements.
- Created **social media posters** to support the project's digital communication and online content.
- Iterated on designs based on project requirements and feedback
